A Certificate of Real Estate Value (CRV) is required to document a sale of property in Minnesota. CRV information is reviewed by the county of sale and the Department of Revenue to verify sale terms and ensure fair and equitable property tax assessments statewide.

More information about the eCRV project may be found here: **eCRV Project**.

When to use eCRV vs. paper form

Currently, eCRV is available on a county by county basis. Sales in all other counties will still need to submit via paper until December 1, 2011.

~~~~~~

BEFORE SUBMITTING:
Check if your county of sale accepts eCRV here: **eCRV Counties**.
NOTE: eCRV may be used for ALL counties of sale as of **Dec. 1, 2011.**
